FAIRBURY NURSERIES

MONEY SAVINGS PRICE LIST

Grow Some of Your Fruit

We are sending you this Circular instead of a Catalog so we can pass the saving to you in lower prices.

We know many of our Customers have had a hard time in the past because of drouth and low prices, so we are holding our fruit tree prices the same as last year, even if our costs are a little higher this year.

The drouth hit us again this year but we had a few rains, so our stock came out a little better than last year. Some of our stock will be a little short in height but they have the best roots we have had in a number of years.

While we are in the drouth area this year, we had a few late rains that made our stock about as good as an average year, except Strawberries.

In case part of your order has to come by express, we will send it all together and send you some extra stock for the postage you paid on postpaid item.

We can not afford to ship out orders for less than one dollar and pay the postage. In case your order is less than one dollar, add 10c to cover part of the postage.

WE INVITE YOU

To come to pick up your own nursery stock if you live within driving distance of Fairbury. You can see what you are getting. We have a number of other items not offered in this list. We have a nice stock of Juniper Evergreens for foundation planting in all sizes.

If you come for Evergreens, come when the ground is not frozen or very muddy. Evergreens are dug as they are sold.

We carry in stock garden plants and seeds for our home customers.

Store hours: 8 to 12 a.m.; 1 to 5 p.m., week days.

Office two blocks north of post office and four and one-half blocks west.

SPECIAL OFFER

We can send by parcel post, perennials, plants, roots, trees and shrubs under four feet high. Do not order larger by mail.

We will pay express charges on orders of \$20.00 to Kansas, Nebraska or Missouri. We will pay the express charges on orders of \$25.00 or more to other states.

We will pay express charges on all stock as stated above, except Evergreens which will be sent express collect.

Get your neighbors to order with you and get your stock by express prepaid. It will travel better.
